Discover magic and timeless fun in the birthplace of the creator of Mary Poppins!

MARY Poppins is the famous, fictional creation of Pamela Lyndon Travers, who was born above a bank building in Maryborough in 1899.

With glorious heritage streetscapes and parks as the setting – and just a spoonful of imagination - you can jump right into the author’s magical world of Mary Poppins at the Festival in the Park.

Sidewalk art, crazy Chimney Sweep challenges and the famous Grand Parade are among the special themed activities. A host of Mary Poppins inspired characters will come to life, including the Bird Lady, the Chimney Sweep and Admiral Boom who will fire his time cannon every hour in Richmond Street.

Puppets, moving street theatre performers and great live music make up a packed entertainment program. Festival goers can also jump on board steam trains, and see wonderful vintage collections of antiques, cars and motorbikes and classic fashions.

It’s a day made for children, with special workshops, rides and a Charm School for Ladies and Gents. Kids – be sure to go on the Magical Mystery Treasure Trail for a chance to win great prizes.

Pick up special Mary Poppins souvenirs from the Mary Poppins Merchandise Stand at the Customs Residence Interpretive Centre in Wharf Street.

Sunday 30 June
10am – 4pm
Portside Maryborough
